At HER Lighting we are committed to constant innovation and improvement. This means that product specifications, data, and technical details may be updated at any time to enhance reliability, functionality, or performance. We make every effort to ensure the accuracy of our product images; however, variations in lighting conditions and screen settings may cause colours to appear differently. Images are indicative of the style and quality of our luminaires but may not exactly represent the final product you receive, as we are continuously refining our designs.
